*This summary is incomplete in that reports from all stations are not included. Only larger stations, or stations representative of a geographical area are included. Fluctuations in strength at some stations, or in some areas may be the result of not having received all of the reports from those stations or areas at the time this summary is published.

Note: One (1) case of meningoccocie meningitis was reported from Camp Dix, N. J.

(a) Station Hospital report not received.
